Spring 2025

WINTER DEVELOPMENTS...

We have been working hard on some winter projects. Here are just a few...

- Last autumn we gave several [Seasonal Pitches a makeover!](#) New patios were laid, fresh gravel, pitch edges were defined and some bedding plants were put in place. We hope you like the new look. We are planning to continue work on more seasonal pitches next winter.
- You may have noticed some work going on at the bottom of the Glamping Field. Not only have we installed [Rowan, our new glamping pod](#) but we are also introducing [two new EV charging points](#). There will be more information about this soon.

If you haven't already, please remember to collect, complete and sign your Seasonal Agreements before the end of March

- The [Seasonal Loyalty card](#) has been re-launched with new local gems on the list! Take a look at the list of places offering discounts exclusively for Seasonal Pitch Holders on our website (use the QR code on your card). It is worth checking it from time to time for any updates. Don't forget, you also receive [25% off Adventure Golf, BBQ Hut hire, Crazi Bugz, Fishing, Bathroom hire and most events on the park](#). Make sure you pick your loyalty card up when collecting your Agreement.

EVENTS, ACTIVITIES & FOOD

Don't forget to check our Events and Food calendars on the website for highlights of the year which you may want to plan your visits around.

The Camping Stove food cabin re-opens the evening of Thursday 17th April ready for the long Easter bank holiday weekend. Sadly though, due to faults, Scholes Chippy Van can no longer tour therefore, we will no longer see the Chippy Van on the park.

Check out our new poster 'Go Explore' displayed around the park and on the website. We put our heads together to give you our top tips. How many can you already tick off?!

CHANGES TO PITCHES

Please remember, if you would like to make any changes to your pitch, you must consult with the park owners first. This includes any visible additions such as lights.

RECYCLING

Please use the recycling bins for paper, card, cans and glass - these should not be placed in the general waste bins. Anything too large for the bins should be taken to the tip.

DOG WALKING

Please can we remind any dog owners that dog walking should not take place in the camping fields or near pitches. Please make the most of the woods and public footpaths.

FRESH COFFEE

Don't forget, while The Camping Stove is closed over the winter, we continue to serve a range of coffees, teas and hot chocolate from reception.

SEASONAL FISHING TICKET

Available from reception
6-month ticket
£60.00

CRAZI-BUGZ

The Crazy-Bugz will be back out for off-roading adventures over the Easter weekend!

Caravan Insurance

For everybody's security and safety, it is essential that your caravan is insured and that your insurance details are provided on your Seasonal Agreement. Compass Insurance are a reputable firm who can provide competitive rates for seasonal sited touring caravans. Please ask in reception for more details.

2025 Christmas Closure Dates
We will be closing for 2 weeks from the 16th December, re-opening on the 30th December.

Please **talk to us** if you are unsure of anything or there is something you feel we can improve on. Guests reviews and feedback form the basis for improvements.

The appearance of seasonal guests' caravans makes a huge difference to the park. We'd appreciate it if you could **keep the exterior of your caravan and awning clear of leaves and as clean as possible**. Any **gazebos should be dismantled** for the winter period. If you need help with caravan cleaning, Paddy, who stays on the park, has cleaned many caravans and does an excellent job. Please ask in the shop for his contact details.

Please Remember...

Only **1 car per pitch**. If, on a rare occasion you have two, please check with us about parking.

If family or friends are using your caravan, please let us know so that we can expect them.

Thank you.

We continue to hold a David Bellamy Award in respect of the strong green ethos we have on the park. Thank you for your support in helping us achieve this.
